## Nissan Forklift

Nissan Motor Co. Ltd prides itself on achieving total customer contentment when enjoying one of their car, truck or forklift products. They are fully committed to providing high value and meticulous quality standards to their clients. Incorporating a fruitful heritage combined with solid production principals, Nissan Forklifts provide some of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European manufacturing warehouse in Sweden to sustain their worldwide lift truck demands. Dedicated to delivering customer support, the company has four distinct manufacturing facilities that permit them to continually adapt to their clients continually evolving requirements by offering an assortment of modern ideas and concepts.

The Nissan Lift truck North and South American base is situated in Marengo, Illinois. A dedicated team of 350 personnel is committed to the support, design and fabrication of their products. Working under the ISO-9001 and ISO-14001 certifications, allows every sector of the Nissan Forklift Corporation to sustain environmental accountability by using techniques that limit the global influence of their goods and processes. These high values remind consumers that Nissan operates under the quality seal that their consumers demand whilst being an environmentally responsive organization.

Nissan is confident that they will be able to address any consumer queries or concerns. Always available through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned sellers or even visiting their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their warmth and commitment.
